

738™ HOT 'N FAST™

LOW VOC PVC SPECIALTY SOLVENT CEMENT FOR IRRIGATION & WATER WELL APPLICATION

- **EASY TO USE** – *Extremely fast setting allowing for quick pressurization*
- **VERSATILE** – *Works well in all conditions, wet or dry*
- **RELIABLE** – *Excellent viscosity gives consistent coverage*
- **PROFESSIONAL RESULTS** – *Blue color fades to clear for cleaner-looking joints*

Contractors asked us for a fast setting, hot blue cement, with good viscosity for irrigation and water well application.

WELD-ON® 738™ HOT 'N FAST is the result.

If you haven't tried it, what are you waiting for? From the originator of solvent cements, IPS® Corporation.
