

THE WORLD'S MOST TRUSTED BOND

# Weld-On® 600D™ Drainage Adhesive

QUICKLY BONDS AND PROVIDES A FLEXIBLE  
SEAL TO PIPE CONNECTIONS

INCREASING DRAINAGE SYSTEM LIFE

Weld-On 600D Drainage Adhesive is a specially formulated contact adhesive to seal plastic non-pressure drain pipe connections.

600D adds an additional level of protection than with the typical push-fit pipe connection. The flexible mechanical seal creates a stronger joint that is less susceptible to separation while preventing seepage, leaks or root intrusion at the joint.

## KEY FEATURES

- Clear, heavy bodied
- Fast set
- Ultra low VOC formula
- In-cap dauber applicator
- For use with non-pressure exterior landscape drainage systems
- Adheres to triple wall HDPE, polypropylene, vinyl and styrene drain pipe and fittings up to 4 inch diameter
