IRRIGATION ► HORTICULTURE ► AGRICULTURE ► GREENHOUSES

NEW BRAND, SAME SABA FORMULA

In 2025, Weld-On acquired SABA Adhesives' PVC solvent cement and cleaner product line, along with its manufacturing facility, and recognised the brand's exceptional quality and strong presence in the European market.

Weld-On is proud to continue offering S3, 2810, and Clean products under the Weld-On brand. These products maintain the same trusted formulas, packaging, and manufacturing standards that customers have relied
